

Lab Specific Biosafety Onboarding Training Documentation

I hereby attest that I have read and understand the Biological Use Authorization, as well as all relevant SOPs for the [] Lab. Further, I have completed review of our lab specific Research Group Training slideshow. I am now familiar with the biohazards present in [] Lab, along with the required risk mitigation steps described in the training documents listed above. Finally, I have been offered all necessary vaccines (e.g. HBV) to carry out this work by my supervisor, free of charge.
