SHOW OTHER SIDE THROUGH PLASTIC ENVELOPE

INSTRUCTIONS:

1. **Only use this label if Online System (HWP) is unavailable.**
2. **Enter label information and request pickup within 6 months.**
3. Quarter-fold label and insert label into plastic envelope (available from EH&S).
4. Affix plastic envelope to waste container BEFORE putting waste into the container.
5. If waste container is too small to affix label directly, first place waste in a larger Ziploc bag.
6. Assure the waste information is facing out.

SHOW OTHER SIDE THROUGH PLASTIC ENVELOPE

KEY POINTS:

1. Keep container closed when not in use.
2. Keep container in secondary containment.
3. Do not contaminate the outside of the container.
4. Do not evaporate, pour down the drain or dispose in the regular trash.

Call EH&S at (510) 642-3073 if you don't have the training and equipment to clean up spills.

Call 9-1-1 for large spills that may cause injuries or harm the environment.
