1b. Food safety certification

Public Comments: I observed a ServeSafe Kitchen Manager certification for David Murray. It will expire in 2029.

Action Plan: California Retail Food Code §113947.1(a). Food facilities that prepare, handle, or serve non-prepackaged potentially hazardous food, except temporary food facilities, shall have an owner or employee who has successfully passed an approved and accredited food safety certification examination as specified in Sections 113947.2 and 113947.3. There shall be at least one food safety certified owner or employee at each food facility. No certified person at a food facility may serve at any other food facility as the person required to be certified pursuant to this subdivision. The certified owner or employee need not be present at the food facility during all hours of operation.

California Retail Food Code §113947.1(e). A food facility that commences operation, changes ownership, or no longer has a certified owner or employee pursuant to this section shall have 60 days to comply with this subdivision.

California Retail Food Code §113947.1(g). The food safety certificate issued pursuant to Section 113947.3 shall be retained on file at the food facility at all times, and shall be made available for inspection by the enforcement officer.

California Retail Food Code §113947.1(h). Certified individuals shall be recertified every five years by passing an approved and accredited food safety certification examination.

Correct within 60 days.

California Retail Food Code §113948. All employees that prepare, handle, or serve non-packaged potentially hazardous foods shall have passed an approved safety certification program.

California Retail Food Code §113948 (a)(1). A food handler who is hired on or after June 1, 2011, shall obtain a food handler card within 30 days after the date of hire. Each food handler shall maintain a valid food handler card for the duration of the food handler's employment as a food handler.

California Retail Food Code §113948 (a)(2). Food handler cards shall be valid for three years from the date of issuance, regardless of whether the food handler changes employers during that period.

Correct within 30 days.

Inspection Score * 1

54. Grade

Public Comments: The total score today for the inspection was 94 %

Action Plan: Facility Grade =

Grade A - 90 to 100% (Generally superior in food handling practices and overall food facility maintenance).

Grade B - 80 to 89% (Generally good in food handling practices and overall food facility maintenance).

Grade C - 70 to 79% (Generally acceptable in food handling practices & overall general food facility maintenance).

Score - 0 to 69% (Poor in food handling practices and overall general food facility maintenance).

All food facilities that have a critical violation may be subject to closure regardless of the score received on the inspection report. Food facilities that score below seventy percent (70%) twice within a twelve (12) month period are subject to closure and further legal action.

When a facility is closed, a notice of closure will be posted on the entrance door that will state reason(s) for closure. The sign must remain posted until the facility is reopened by the inspector. Health permit will be suspended upon closure; re-inspection will be scheduled when violations are abated.
